Dear Mrs J Salter

I am writing to you to ask if you could build an Ice Rink in Worcestershire. If you consider this idea you may be able to build it at the Old National Standard Factory on the Stourport Road in Kidderminster. I think it would be a good idea because it's fun, good exercise and it gets children and adults up off the sofa and stops them watching TV. Lots of my friends like ice skating and my parents enjoy it too. It is also better for people in Worcestershire because most of the Ice Rinks closest to us are about 30 miles away.

Please consider this idea.

Yours Sincerely
Chloe Worley

P.S.
Please look
at the form
with this
letter!

We the Undersigned agree that it would be a good idea to have an ICE RINK More Locally!
