

BUILDING A BETTER FUTURE

Priorities for 2006/07

Service

- Opening customer service centres in Kidderminster, Stourport and Bewdley as part of the Worcestershire Hub.
- Keeping public spaces clean and increasing the amount of waste recycled.

Efficiency

- Improving working practices, including the use of new technology, to achieve greater efficiency and help limit any increase in Council Tax.
- Continue our project to replace existing administrative offices with a single site.

Prosperity

- Continuing our programme of local regeneration initiatives and town centre re-developments.
- Improvements to parks and open spaces and working with partners to reduce crime.
