RECOMMENDATIONS FROM THE PROSPERITY POLICY PANEL
7TH FEBRUARY 2007

REGENERATION PROJECTS UPDATE – STOURPORT-ON-SEVERN

Members considered a briefing paper from the Principal Forward Planning Officer, which provided the latest position regarding the numerous projects related to Stourport's ongoing regeneration.

Members felt that it was a good reference document. Members commented that it was good to have the support of Stourport Town Council as they would use their local knowledge to make good suggestions. The Town Council had responded to the requests of the Panel and would be taking steps to enter Stourport into the Britain in Bloom competition to improve that aspect of the town.

RECOMMENDED to the Cabinet:

- 1. The project updates be noted.**
- 2. The Draft Stourport Pride Action Plan (set out at Appendix Two to the report to the Panel) be endorsed and recommended to Cabinet as the basis for preparing schemes over the short, medium and long term.**
