Dear Councillor Champion

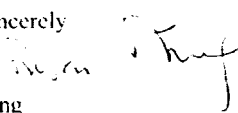

I understand from Keith Bannister that you were instrumental in securing the £300:00 grant in January of last year to enable The Kidderminster Valentines to purchase sheet music required to sing in the concert at the Royal Albert Hall in November 2006.

A cheque for £95,000:00 has just been presented to Cancer Research UK – the proceeds from that concert. Thank you so much for your help.

Another request - The Kidderminster Valentines are producing their first CD in March and I am trying to find sponsors to help with the costs. Is this something with which the Council can help?

I enclose a breakdown of the costs and await hearing from you. We would of course give credit on the CD notes of any sponsor who helps us.

Yours sincerely
