CABINET MEETING
THURSDAY 26TH APRIL 2007

RECOMMENDATIONS FROM PLANNING (DEVELOPMENT CONTROL)
COMMITTEE - 10TH APRIL 2007

ADDITION TO THE LIST OF BUILDINGS OF LOCAL ARCHITECTURAL
AND/OR HISTORIC INTEREST (THE LOCAL LIST) - STOURPORT-ON-
SEVERN

At its meeting on 10th April 2007, the Planning (Development Control) Committee considered a planning application (06/5079/INV) for redevelopment of part of the Carpets of Worth site on Severn Road, Stourport-on-Severn to provide a new Class A1 supermarket, customer car park, petrol filling station, new road bridge, new footbridge, other highway works and landscaping and other works.

During consideration of the application Members realised that the existing wall on Severn Road, Stourport-on-Severn had not been included in the list of buildings of local architectural and/or historic interest (The Local List) Stourport-on-Severn and in the planning application it was proposed that it be removed as part of the redevelopment of the site.

Members were advised that the Conservation Officer would prefer to see this wall retained as part of the redevelopment of the site.

After deliberation the following recommendation was made:

Subject to advice from the Council's Conservation Officer, the Committee requests that the Cabinet consider adding the existing wall in Severn Road, Stourport-on-Severn to the list of buildings of local architectural and/or historic interest (The Local List) - Stourport-on-Severn.
