Dear Sir/Madam,

Notice of Review of Polling District and Polling Places within the Wyre Forest District Council area (under s16 of the Representation of the People Act 1983 (as amended))

The District Council is undertaking a periodic review of polling districts and polling places and invites any interested parties, political groups and electors to make comments on any changes they wish to be considered.

The review will not affect ward boundaries and each parish in England must be in a separate polling district. A summary of current electoral arrangements is attached and maps of current boundaries can be inspected by contacting, by post or email, the Elections Department at the Civic Centre, Stourport on Severn.

Representations should be made in writing or electronically, including any suggestions for alternative venues for polling stations, by Friday, 14th September, 2007.

Yours faithfully,

Stella A Fleming
