RE PUTA PRIMA GRANT

WYRE FOREST DISTRICT COUNCIL
PROCESSED

25 OCT 2007

Dear Sir,

RE WYRE FOREST SCOUTS & GUIDES ASSOCIATION
HEADQUARTERS

In our current financial year we have a deficit in our accounts, our Expenditure exceeds our income by over £800, we are desperate to renovate and decorate the Headquarters Building in 2007-2008 but are restricted by lack of funds.

We are, or have projects in mind which will reduce our deficit i.e. an annual bonfire, we expect a grant from the Scout & Guide HQ at Bewdley High School, and hope to hold a frog race night nearer to Christmas, all of these should mean that we hope to break even over the year, but we shall have nothing spare.

We hoped that we might be eligible for a grant from WFDC, to cover some or part of our improvement scheme to our Scout Hut, if only we cover day to day maintenance & repair, we had hoped to replace our abnormal lighting this year but this will be cut for in excess of £800 so it will wait for another year. or no.

PTO

Any Grant to cover part of the ongoing
would help, as resources are limited, as
in the number of children we report, but
the overall results from our fine team of
volunteers are worth our every effort.
We think you in anticipation of a
positive reply.

Yours Faithfully

A.H. WATERS
CHAIRMAN
