

Wyre Forest

Percentage of new developments within 30 minutes of a retail centre

Accession has been used to work out the 30 minute public transport time to each retail centre from all residential locations in Wyre Forest.

From this we have calculated and then plotted the number of dwellings and sites within 30 minutes of a retail centre for AMR core indicator 3b.

Percentage of completed residential sites within 30 minutes of a retail centre:

93 % (81 out of 87 sites)

Percentage of dwellings within 30 minutes of a retail centre:

98 % (295 out of 301 dwellings)
