Name = [REDACTED]  
Address = [REDACTED]  
Stourport on Severn,  
Worcestershire  
Postcode = [REDACTED]  
Telephone Number = [REDACTED]  
Telephone Number = [REDACTED]  
Email = [REDACTED]

When best to contact = It is probably best to contact me via email or through writing regarding this matter.

What complaint is about = I am writing regarding the closure of the park & ride service that runs from Stadium Close in Kidderminster.

Has there been a previous complaint = No.

Complaint = It has been brought to my attention that the council are planning to stop the Park & Ride service as of the end of March 2008. I use the Park & Ride myself as it provides a reliable way for me to get to my job in Kidderminster town centre. As a young female I rely on the service because I know that I can get to and from my job safely and securely without having to walk after dark through alley ways & quiet streets. I also know that if my shift is later on in the day I will still be able to get a parking space, especially during busy periods like Christmas. The service also provides good value for money, as when I parked in the town centre I was paying a significant chunk out of my wages in order to cover my parking for a 4 hour shift. However I know that myself and probably other people who use the park & ride would be willing to pay more to keep the service as it is so valuable.

I hope you can understand the inconvenience that the closure of this service will cause to people like myself. I would really appreciate it if you could provide me with a postal address that I can write a proper letter to regarding this issue.

Thank you for your help,
