Dear Stella,

Polling District and Polling Places Review 2008

Thank you for consulting me as Returning Officer with regard to the above review.

I am happy for the change in the polling districts involved as this will improve facilities for electors.. These are Kidderminster Broadwaters No. 4 (BR-D) and Kidderminster Broadwaters No. 3 (BR-C).

I am aware that Polling Districts and Polling Places are continually under review by yourself, and am pleased to note that this will of course continue.

Yours sincerely,

Walter Delin
