Recommendations from the Corporate Services Scrutiny Committee
4th September 2008

Customer Services Review

The Committee considered a report from the Acting Customer Services Manager which provided an update of the Wyre Forest Customer Service Centre since it had opened in November 2006.

Recommended to Cabinet:

- 1. The Corporate Services Scrutiny Committee wished to congratulate the Hub staff on the success of their achievements to date in delivering a first class service.**
- 2. Strongly oppose any attempt by Worcestershire County Council to withdraw funding for services provided by the Kidderminster Hub.**
