Involvement in Partnerships 2008/09**

**Six Monthly Progress Reports (April – September 08)**

**Summary of how the outputs of the Partnerships are supporting the delivery  
of the Worcestershire LAA, Wyre Forest Matters (LSP Targets) and WFDC  
Priorities**

<b>Name of Partnership</b>	<b>Bewdley Town Centre Management Forum</b>
<b>Name of Officer completing report</b>	<b>Steve Singleton</b>
<b>Key outputs of Partnership from April to September 08</b>	
Bewdley Development Trust secured £25,000 Better Welcome funding. Assessed potential projects for the town centre under “Vibrant Bewdley” – prior to any additional funding that may be available under a future Market Towns Initiative.	
<b>What role has WFDC had in the above outputs</b>	
Helped to facilitate the Better Welcome Funding application	
<b>Please detail any financial contributions made by the Council, including the <u>a) Amount b) The Cost Code Centre and c) The Account No</u></b>	
£5,000 - R705 49065	
<b>How do the outputs assist the Council to achieve one or more of its priorities for 2008-2011, please detail</b>	
Public Realm improvements	
<b>What is the Partnership’s work plan for the next 6 months</b> <i>(please remember to update your Divisional Risk Register)</i>	
Maintain liaison with Wyre Forest District Council Parks and Street Scene section on relevant issues	
Bus shelters	
Litter bins – RP to contact Paul Mann for an update on the new closed top litter bin requested at the top end of SSN	
<u>Bridge Ballasters</u> – RP did write to the Bridge Master, Richard Attwood but did not receive a reply. GH met with Halcrow engineer, Tony Burns. The bridge needs regular programme of maintenance works but there is no maintenance budget for the rest of this year due to the repairs that have had to be carried out.	
<u>Noted</u> that WFDC is drawing up a policy over the winter months. In the meantime the Civic Society has written to Walter Delin stating the Civic Society is in favour of the Café culture as it’s very lively and brings in a lot of trade, but traders should not have tables and chairs blocking both sides of the pavement.	
A public consultation has taken place which was mostly positive. Concern was raised about car parking spaces, and also whether spaces are to be provided outside St. George’s Hall. HM is concerned that the design for the medical centre will dominate the conservation area. There is to be more consultation as things progress.	
RP wrote to Keith Burgess and Stephen Clee at WFDC re a public toilet at Gardner’s Meadow carpark. KB responded that a recently installed toilet block in Kidderminster had cost £175,000.	
Increase representation on the Forum	
<b>Is there public participation in this Partnership, if yes, how many members of the public regularly attend meetings and what role do they play?</b>	
Yes...residents are members	
<b>Is this Partnership on the Wyre Forest Matters LSP Forum, and if it is who is the named representative?</b>

<b>Please detail any financial contributions made by the Council, including the <u>a) Amount b) The Cost Code Centre and c) The Account No</u> – N/A</b>	
<b>How do the outputs assist the Council to achieve one or more of its priorities for 2008-2011, please detail</b>	
One of CSTG's main focuses is helping to connect partners in the districts to what is happening at the Worcestershire Partnership level. CSTG also focuses on helping the LSPs to strengthen themselves. As many of the Council's priorities need to be delivered in partnership, CSTG helps in a "behind the scenes" way through supporting the LSP in bringing partners together and making partners more aware of the role they play in the LAA and other priorities.	
<b>What is the Partnership's work plan for the next 6 months</b> <i>(please remember to update your Divisional Risk Register)</i>	
CSTG is a task group which responds to the needs of the Worcestershire Partnership Management Group and it is also a networking group for the district LSPs and LAA Theme Groups. As such it does not set a workplan, but ongoing pieces of work are:	
<p>The Learning to Deliver Thermal Imaging Flyover project</p> <p>Monitoring the implementation and effectiveness of the Minimum Standards</p> <p>Continuing to support the delivery of the LAA</p>	
<b>Is there public participation in this Partnership, if yes, how many members of the public regularly attend meetings and what role do they play?</b>	
No	
<b>Is this Partnership on the Wyre Forest Matters LSP Forum, and if it is who is the named representative?</b>	
CSTG does not need to be represented on the Forum as it is a way for the District LSPs to connect to each other and to the County. Tracy Reck is the lead officer on CSTG for Wyre Forest, and as the LSP Manager organises the Forum.	

**Name of Partnership: Community Safety Task Group**

CSTG does not directly deliver on any targets, although the Thermal Imaging Flyover project will deliver on NIs 186 and 187
