

**ACTION LIST  
CABINET  
22<sup>nd</sup> January 2009**

**Agenda  
Item No.**

**Decision**

**9.1 Recommendations from Corporate Services 8<sup>th</sup> January 2009**

**Recommendations from the Section 106 Review Panel**

**DECISION the recommendations listed below be noted:**

- 1. Ward Councillors should be consulted when there was a possibility of open space Section 106 monies being available to provide facilities in their Ward with advice from Officers on location and need.**

**As there would be a short timescale for responses due to the requirements on determination of planning applications, the consultation scheme to be provided by the Head of Planning, Health & Environment to suit those timescales and to fully comply with operational and legislative requirements and Government Circular Guidance and include provision for a final decision by the Head of Planning, Health & Environment.**

- 2. The Head of Planning, Health & Environment to provide Councillors with the Annual Summary of the Operation of the Section 106 Education Contributions policy in the Wyre Forest district when it is received from Worcestershire County Council.**
- 3. Amendments to be made to the Section 106 Monitoring Sheets. They would include more detailed information in respect of contributions received and spent and a checklist for officers to ensure there has been appropriate Member consultation.**
