

WYRE FOREST DISTRICT COUNCIL

CABINET MEETING
19th February 2009

Recommendations from Licensing and Environmental Committee 26th January 2009

Wyre Forest District Public Realm and Streetscene (Control of Street Furniture Policy)

Members considered a report outlining the background to the development of this policy and subsequent appendices detailing comments received following public consultation.

The Committee noted that the policy highlighted the standards expected of pavement café operators, provided guidance for those businesses wishing to establish a pavement café and set out the terms and conditions of a license agreement.

Recommended to Cabinet to recommend to Council:

Wyre Forest District Public Realm and Streetscene (Control of Street Furniture) Policy be approved and delegated powers to issue licenses, set conditions and agree fees be given to the Head of Planning, Health and Environment.
