pmm/budget2009,10/s.136 request /amended

14 May 2009

Dear Mrs Clee

Amended Section 136. request for Financial Year 2009/10

Please find enclosed details of the items for which Bewdley Town Council is seeking funding together with the justification for such funds.

This amended request for funds now includes funding for the maintenance of Wyre Hill Play Area for the financial year 2009/10.

Councillors have asked me to confirm with the District Council that funding for the maintenance of the Play Area in future years will be in jeopardy in the absence of a Section 136 Grant and would wish to discuss with the District Council how such maintenance could be funded in future years.

Please contact me if you have any queries.

Yours sincerely,

Paul Mann

Town Clerk
