11.1 Recommendations from Corporate Resources Scrutiny Committee 10th September 2009

DECISION:

The Recommendations as set out below be agreed to in principle, subject to a further report being made to Cabinet and any recommendations being agreed by Full Council as appropriate:

- 1 The Council works towards the utilisation of the new "Envirosort" facilities currently being developed by the County Council, with a view to increasing the range of materials available for recycling.**
- 2 The Council adopts the revised Joint Municipal Waste Management Strategy for Worcestershire as far as it is able to so.**
- 3 In line with recommendation 1 the Council implements a wheeled bin collection for recycling materials, where possible, and special arrangements be made for problem collections.**
- 4 In relation to the cost of collection, an alternate weekly service be implemented for recycling/residual waste, whilst acknowledging the need to retain existing special arrangements.**
- 5 Due to prohibitive cost restraints, the Council is unable to give support to the implementation of a food waste service at this time.**
- 6 In light of recommendation 5 the County Council be urged to review their decision to remove funding for sink waste disposal units.**
- 7 The Council implements a 'paid for' Wheeled Bin Garden Waste Service on a trial basis, and dependant upon initial interest, develops proposals to offer the service to either 5,000 or 10,000 households, on a cost recovery basis.**
- 8 An Implementation Plan, including details of communication of proposals to the public be developed as a matter of urgency, and reported to future meetings of the Corporate Resources Scrutiny Committee;**
- 9 Fully costed proposals in relation to the options listed above be included within the budget considerations for 2010/11 and beyond.**
