

**WYRE FOREST DISTRICT COUNCIL**

**CABINET**

**27th OCTOBER 2009**

**Recommendations from the Community and Regeneration Scrutiny Committee Meeting, Thursday 8th October 2009**

**Wyre Forest District Council Health Action Plan 2009/10**

The Committee considered a report from the Principal Health and Sustainability Officer which sought endorsement of the Wyre Forest District Council Health Action Plan 2009/10.

The Committee was informed that the Action Plan fulfilled an aspiration of the Planning and Regulatory Services Business Plan for 2009/10. The aim of the Action Plan is to build upon existing work being carried out at District and County level, and to better coordinate this area of work within the Council.

A Member suggested that in addition to the Action Plan, information be presented to Members, which would set out a multi agency approach towards public health as opposed to that of Council employees.

**Recommended to Cabinet:**

**The Wyre Forest District Council Health Action Plan 2009/10 be recommended to Council for adoption.**
