Recommendations from the Community and Regeneration Scrutiny Committee Meeting, Wednesday 11th November 2009

Ribbesford Conservation Area – Draft Conservation Area Appraisal

The Committee considered a report from the Conservation Officer which informed Members of the proposed draft Conservation Area Appraisal for the Ribbesford Conservation Area, and the proposed arrangements for public consultation.

The Committee was informed that there were currently sixteen Conservation Areas within Wyre Forest District, and that the current Business Plan for Planning & Regulatory Services included a commitment to publish a final Conservation Area Appraisal for the Ribbesford Conservation Area by January 2010.

Recommended to Cabinet:

To agree to undertake a public consultation to gauge the opinion of all affected persons, with a report back to Members at the end of the consultation period, to indicate the level of public support for the Appraisal, and its contents.
