Dear John.

Re Bliss Gate Playing Fields Charity No 229189.

Thank you so much for your letter dated 04.02.10. And your obvious interest in this local charity, which covers four villages in Rock parish, together with the areas in between them, this amounts to a lot of people, and caters for a lot of children, with their Mothers or carers.

The initial problem the new nine strong committee faced was the day to day running costs, the old committee had done hardly any fund raising at all, it must be remembered that the play equipment was very new during this period, we have had to fund privately through generous new committee members our insurance cover, I will attempt to itemise below our approximate funding over the next 12 months, and perhaps your Council might be able to assist in some way.

We have several schemes in hand to attempt to raise funds ourselves, these will start to come to fruition during March and then on throughout the year, and are writing and have written to various bodies like yourselves in the last two weeks, yours we are pleased to say is our first positive reply.

We look forward to your reply, and hope you might be able to help us, thanking you in anticipation,

Yours Sincerely,

Albert Ward.

P.S JOHN WE HAVE APPROX £350 in our bank.
