Dear Planning Applications

As per my address, you will obviously understand my distress at the news, that The Angel Public House has applied for a licence for outdoor music and entertainment.

I strongly object to this application and would like you to listen to my reasons.

1) noise is a constant problem at night and weekends with gangs of drunk people outside my property. As the local bus stops are outside, people shout for taxis and argue and this problem has worsened lately.

2) Feeling unsafe, as a female living here, it has become not a nice experience to walk back home at night, because of drinkers leaving the Angel and eating in the bus stops.

2).

3.) Litter has increased and is becoming a daily problem.

I enjoy going out in Bewdley, so I am not against people enjoying themselves, but as a woman who works shifts, these hours of music would make it impossible for me to rest and sleep without constant interruptions.

We all as residents pay a lot of money to live in Bewdley and enjoy the local area, but outdoor music would be a un-welcome addition to the many reasons to why people like to visit here and to live here.

Yours Faithfully
