

**WYRE FOREST DISTRICT COUNCIL**

**CABINET**  
**15<sup>TH</sup> MARCH 2011**

**Recommendations from Corporate Resources Scrutiny Committee,  
10<sup>th</sup> March 2011**

**Fees and Charges Policy**

The Committee considered a report from the Chief Executive which outlined a proposed Fees and Charges Policy.

The Chief Executive informed Members that the Council did not have an extant, holistic policy governing how it set fees and charges, and the policy had been drafted to address this.

Members were advised that the Policy would not override those areas of fees and charges which were already governed by statutory requirements.

**Recommended to Cabinet:**

**The Fees and Charges Policy (attached) be endorsed and that Cabinet recommend to Council for adoption.**
