1. PURPOSE OF REPORT

- 1.1 This report provides an update on the amount of external funding being attracted into the District during Quarter 4 of the 2010/11 financial year; and the variety of projects for which the funding is contributing towards for the benefit of the District and its residents.

2. RECOMMENDATIONS

- 2.1 The Committee is asked to NOTE the amount of External Funding being attracted to the District as attached in *Appendix 1*.**

3. BACKGROUND

- 3.1 The Wyre Forest District Council (WFDC) promotes and improves the economic, social and environmental well-being of the district in the best interests and for the greatest benefit of its residents, businesses and visitors.
- 3.2 The District Council is increasingly dependent on attracting external funding sources, in addition to its own budgets, to meet its own priorities as well of those of the community.
- 3.3 In April 2005 the District Council adopted its External Funding Strategy to establish protocol and aid development to all stakeholders and partner organisations that WFDC work with (on external funded projects) to be aware of their roles and responsibilities.

- 3.4 A review of this Strategy was completed in April 2009 in order to ensure that it is meeting its aims and objectives effectively, and that the protocol is relevant and up to date. As a result of this review, the Strategy was renamed the 'External Funding Monitoring Policy' to emphasise its primary role as a monitoring exercise.
- 3.5 External funding bid information is obtained and recorded on a quarterly basis to ensure that funding is reported and monitored regularly. This is reported in the form of position statements and is supplied to the Audit Committee. The Community & Regeneration Scrutiny Committee also receives an annual position statement detailing funding information for the whole year.
