**Wyre Forest District Infrastructure Plan**

The Committee considered a report from the Principal Planning Policy Officer on the production of a District wide Infrastructure Plan. Recommendations from the Local Development Framework Review Panel were also considered. Members held a full debate and were informed that the plan accompanied the submission of the District Council's Development Plan Documents (DPD's) and will also be used to help inform the work being undertaken on the Community Infrastructure Levy (CIL).

**Recommend to Cabinet:**

**The contents of the briefing paper to the Overview and Scrutiny Committee at its meeting on 6<sup>th</sup> December 2012 be noted and the Infrastructure Plan as a suitable evidence base document be endorsed to support the delivery of the Development Plans and to provide the background information required for implementing Community Infrastructure Levy (CIL) with the exception on the section on emergency services where the comments are only noted pending further information and request that clarity be sought regarding police and ambulance services as soon as possible. Members also express concerns about library services and request that clarity be sought on these proposals as soon as possible.**
