Housing Assistance Policy

The Committee considered a report from the Strategic Housing Services Manager which set out the policy that would be used to determine how the Disabled Facilities Grant (DFG) funding from Central Government would be spent. In 2016/17 the Council received £1.02m of capital funding via the Better Care Fund (BCF) to deliver its DFG service.

Recommend to Cabinet:

The Housing Assistance Policy, as set out at appendix 1 of the report, for use by the Strategic Housing Services Team in determining the use of the DFG capital funding, be adopted.
