**Subject:** Notice of Decision of Cabinet Member - Exception to Contract Procedure

The Councils Contract Procedure rules (paragraph 6) set out the circumstances where an exception to the Rules may be granted. They state:

*Exceptions to the rules may be granted by the Solicitor to the Council (up to and including the value of £50,000) and by the Relevant Cabinet Member (above the value of £50,000).*

*An exception may be granted where it is in the Council's interest to engage a particular company or individual due to:*

- *Their previous involvement in a matter (or a related matter) where this previous knowledge brings added value either through savings or knowledge; or*
- *Their particular knowledge and expertise (for example a consultant or a barrister) where such knowledge or expertise is not readily available.*

Under this contract procedure rule authority is given to enter into a contract with Savills to undertake further work in relation to Kidderminster Eastern Gateway.
