**Local Development Scheme Project Plan Update**

The Panel considered the current project plan and timetable, and received an update on the consultation process which took place between 15<sup>th</sup> June and 14<sup>th</sup> August 2017.

Members were encouraged by the level of public engagement in the process and the high number of responses received to the consultation.

The Panel agreed that to encourage the same level of public engagement, the suggested timeframe for the Pre-submission Plan Public Consultation, should be for an 8 week period, beginning mid June to mid August 2018.

**Recommend to the Overview and Scrutiny Committee:**

- **The Pre-submission Plan Public Consultation be for an 8 week period to ensure adequate time for engagement.**
