**Wyre Forest District Local Plan Review: Revised Local Development Scheme
(Project Plan 2018 - 2020)**

The Committee considered a report which provided Members with an update on the progress made in undertaking the Local Plan Review, and asked for agreement to a revised Local Development Scheme (Project Plan 2018 – 2020) and a revision to the process of pre-application advice in light of the amended timetable.

Members acknowledged that as a result of the Government's delay in confirming the standardised methodology for calculating housing need within the District, the revision to the project plan was unavoidable. Member welcomed the proposed pre-application standing advice for housing and agreed it was a useful tool to be used in the interim period for dealing with hostile planning applications.

Recommend to Cabinet that:

- 1.1 The proposed revised Local Development Scheme Project Plan 2018 – 2020 as set out in Appendix 1 of the report be adopted.**
- 1.2 The proposed pre-application standing advice for housing as set out in Appendix 2 of the report be adopted.**
