Wyre Forest District Local Plan: Pre-Submission Publication

The Committee received a report from the Spatial Planning Manager which set out the next stage of the Local Plan Review, referred to as the Regulation 19 Pre-Submission Publication consultation. This is the final stage of consultation before submission of the Local Plan to Government.

The Committee considered the report and acknowledged the work undertaken by the Local Plans Review Panel which has helped to shape the Pre-Submission Publication version of the Local Plan. It was noted that the Panel had met seven times since the preferred options consultation ended on 14th August 2017.

Recommendation to Cabinet:

In line with the recommendations from the Local Plans Review Panel, the Overview and Scrutiny Committee commend the Pre-Submission Publication consultation document, the Preferred Options Consultation Responses, and the draft Consultation Plan to Cabinet for their approval.
