Wyre Forest District Local Plan: Revised Local Development Scheme (Project Plan 2019-21)

The Committee considered a report from the Spatial Planning Manager which set out a revised Local Development Scheme (Project Plan 2019-2021). The Local Development Scheme was last reviewed in June 2018, and since then a number of changes have been made.

Members acknowledged the importance of the Council being able to demonstrate a 5 year land supply of housing sites and having an up to date Local Plan to resist hostile planning applications within the District. There was unanimous support by Committee Members for the recommendation to Cabinet.

Recommend to Cabinet that:

The proposed revised Local Development Scheme Project Plan 2019 – 2021 as set out in Appendix 1 of the report is approved.
