20/0747/S73	25	Paragraph 2.1. Parish Council comments should read: “The Parish Council objects to this application as they believe it is overdevelopment of the site. The removal of permitted development rights attached to application 18/0595/FULL for a single storey side extension was put in place for a reason - to prevent further development, one would presume this decision was made with the view that the site had been developed to its full potential.”
