**Recommendations from the Overview and Scrutiny Committee
Thursday 1 July 2021**

Climate Change Update

The committee received a report from the Principal Health and Sustainability Officer which provided an update on the Climate Change Action Plan for 2021-22.

The committee fully scrutinised the report and acknowledged that in addition to the actions listed in the plan, it was proposed to run some in-house carbon literacy training which would be included in the cost cutting actions as a free on-line tool kit.

Members welcomed the work that was being undertaken to tackle climate change issues in Wyre Forest and fully supported the recommendation to cabinet.

Recommend to Cabinet that:

The Wyre Forest Climate Change Action Plan 2021-22, as attached at Appendix 1 of the report to the Overview and Scrutiny Committee, is approved.
